[LA FABULA](#)

This is without doubt the best restaurant in Granada for fine dining combined with value for money. Presentation, flavour and texture combinations really wow!

Great food, though not the cheapest, with the most fantastic views of Granada. Convenient when visiting the Parque de Ciencias (Science Park)

[TINTA FINA](#)

A great bar/restaurant in the beautiful cloistered street Angel Ganivet in the very centre of Granada. Good mixed menu including excellent vegetarian and fish dishes

Good food, well presented. We recommend the terrace with its stunning views. BBQ's on Friday

GREAT RESTAURANTS NEAR TO LA FINCA DEL CASTILLO ARABE

[LA CONCA](#)

The Lecrin Valle and its surrounding areas is full of talented painters, sculptors, ceramists and jewelers and much more. La Conca is a local cultural centre focused on art, music and gastronomy where local talent exhibits its work. Check opening hours. It is possible to make restaurant reservations by private arrangement outside normal opening hours.

THE COAST

[LA BAJIA - SALOBREÑA](#)

Right on the beach in the town of Salobreña this restaurant never fails to delight us with its fresh ingredients and well presented local dishes. The sardines and catch of the day are always delicious

[LA BARRACA - PLAYA CANTARRIJAN, LA HERRADURA](#)

This restaurant is situated on a beautiful unspoiled National Park beach and is so important to the total beach experience – not only for its great characteristic Spanish seaside dishes but also because it provides sun beds, umbrellas, canoes, pedaloes (with slides), showers and toilets!

The Alpujarra

NOTE: Where ever you are eating in the Alpujarra do avoid the Alpujarran special.

[RUTA DEL MULHACEN – PAMPANEIRA](#)

A small restaurant with a great terrace, view and good local food. Get there early to ensure your table on the terrace.

[EL CORRAL DEL CASTANA - CAPILEIRA](#)

Amazing recipes using local ingredients in this old village high up in the mountains. The portions are enormous! Order one dish at a time and share!! Do check opening hours

[LA BARAKA - ORGIVA](#)

An atmospheric Moroccan restaurant with delicious freshly cooked specialities. Great value for money.
